We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never been able to say of any other medicine—REVER HAS IT FAILED, IN A SINGLE INSTANCE, TO RFFECT A CURE, when timely used. Never did we know an instance of disantishedon by any one sho used it. On the contrary, alleare delighted with its operations, and speak in torms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW;" after the years' experience, AND PLEEDER OUR REPUTATION FOR THE FULLILIMENT OF WHAT WE HERE DECLARE. ATTEND TO YOUR COLDS -A case of five years' anding cured by DR. HEYSER'S PECTORAL SYRUP. Da. Kuysan:—My wife has been afflicted with a bad cough and difficulty of hreathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Peteroral Googh Syrup. Thought, the first time, a fifty cant hottle, which relieved her very much; I then called and got a dollar bottle, which cared her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Freesungs, Nov. 18, 1858 Dn. Kavass:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hourseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

ETRUSERVILLS, O., March 14, 1859

I have used Dr. Kayser's Gough Syrup for a bad cough

the best medicine for the same that I have ever taken,
J. W. PRIOS.

GOL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—DR. KRESEN.—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Gough Syrup sooner. I take great pleasure in saying that it is all you say it is. If twocked the noise out of say cough and the worst one I was ever efficied with: I have not used more than one-half of the bottle, and I can and do with that all who are afflicted would give it as fairs a trisl as I have done, and they will be proud to say, "It is no quack medicine." I would not safer another such an attack for any consideration, or at say cost. I san confident I can breathe more freely than I ever did. I shall say asknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Da. Kevssa: I have a daughter who has taken several medicines for a bad cough without benealt—among them Ayer's Cherry Pettoral.—I purchased from you a bottle of your FRUTO IAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her seegh.

A GREAT CURE BY DR. REYRER'S PROFORAL

BYRUP.—I live in Peobles township, Allegheny county.

I had a coughing and spitting, which commenced acout
the 4th of February last, and continued eight months. I
employed the best physicians in the country, and my
cough continued unparted smit early in October. At
that time I was advised to try your PECTORAL COUGH
BYRUP, which I did, and after I had taken one bottle I
was entirely free from the coughing and spitting. I lind
despaired of ever getting well, and I thing it should be
thrown that this valuable remedy will do for others what t has done in my case.
Witness-B. M. KERR.

FATTON TF., April 14, 1857. A WONDERFUL OUBE. Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the mao, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIB.

DR. KEYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valu-able "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles has week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Bialaryile, Pa., tell us they would not be without it in their families. In fact, all who use it once want it Yours, respectfully.

J. S. WATTERSON & SONS. January 30, 1860.

ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CERTIFICATE—DR. KEYSES'S
PECTORAL SYEUP.—I had been troubled with acough
and cold for several weeks—so had was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but ito
not do so. I finally procured a bottle of your Pectoral
Byrap, which cured me entirely. Signed,
J. W. SIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan. 9, 1869.

"STOP THAT COUGHING."—How can I do it?" "Go to Keyser's on Wood street and get a bettle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one heart almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfelly concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stabbogn case, with ontire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mullish, ansabdable coughs we ever experienced since our advent upon this mandane sphere. We coughed steadily and laboriously for one whole week, in hopes of the right out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we can give our way to Keyser's 140 Wood 8t.—procured a fifty can bottle of the "Rectoral;" took it seconding to directions, and in forty-eight hours we were master of the field, the enemy having moconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drotonsville Chipper, Dec. 14, 1859.
